FOOD TRUCK FUCK

Tacos and chalupas were on the food truck menu – but so was Maria

“I’m sure going to miss you.”

“Likewise,” Maria replied.

And I meant it. Maria was the best intern I had ever worked with. She was punctual, detail oriented, and a fast learner. The other college students that I had supervised couldn’t come close to matching her professionalism. Maria was going places, destined for much bigger and better things.

This had been her last day, a bittersweet Friday to be sure. Maria would be heading back to school for her final semester. Everybody at the office had thrown her a little going away party, gorging on catered sandwiches and cake while wishing her nothing but the best in life. We had all pitched in for a gift card from her favorite clothing store, the least we could do for her hard work.

Now I stood beside Maria’s hatchback in the staff parking lot, trying to avoid a protracted parting as she climbed behind the wheel.

“I really enjoyed the party. It was fun. And thanks for the gift card.”

“Don’t mention it, Maria. I wish we could’ve done more.”

Thinking of the five o’clock traffic, I started walking to my car when she said, “Hey, not so fast. What are you doing tonight?”

“Tonight?”

“Yeah.”

“Sad to say, but I have no plans.”

“No plans on a Friday night? I don’t believe you.”

“Believe it.”

“No hot date?”

“Sadly, no.”

“Well,” Maria said, “we need to do something about that.”

I couldn’t argue with her there. My social life was the pits. Ever since my last girlfriend dumped me six months ago, I had been reluctant to date again. At thirty, I really needed to buckle down, get out there, and meet some people.

“Who says my going away party has to end here? Hop in. I could really use a drink.”

Maria didn’t have to ask me twice.

And I needed a drink, too.

We pounded several beers at a tavern not far from the office.

Conversation flowed easily. No tension whatsoever. After all, it wasn’t like we were strangers. Maria and I had worked side by side on various projects for six months, the length of her internship semester.

Still, this was different. With a few beers in her, Maria had dropped the professional veneer. She had a great sense of humor. I had only seen glimpses of this at the office. Now it was in full effect.

She made me laugh uproariously, especially when she started talking about phone sex. Maria said she had once worked for a sex hotline to help pay for school. At first I didn’t believe her; until she started using her “work”

voice, a silky, smoky, sultry speech which convinced me. And turned me on in a big way.

"That's hot, Maria."

"Yeah, well, I had a good teacher."

"Who might that be?"

"Tabitha Parker."

Tabitha was a local legend. She had worked a few years in the adult film industry before moving here to open the city's biggest and best sex store. A savvy promoter, she purchased a lot of airtime, taking full advantage of her charisma and charm to drum up business. On any given day one could hear her ads on the radio.

"I actually worked at her store my freshman and sophomore years," Maria explained. "She was a great boss. Not as good as you, of course."

"Of course."

I paid the tab and we got out of there. We were heading back to the office parking lot when Tabitha Parker's voice poured from the radio; she told us all about tomorrow's sales extravaganza replete with on-site food truck serving up tasty eats. Saturday's event was strictly a lunchtime affair, half off all items in the store between the hours of eleven and two.

"Don't miss out on this opportunity to spice up your love life," Tabitha's voice filled Maria's car, "while enjoying some of the tastiest Mexican food in town..."

It sounded like a grand time. Perhaps Maria felt the same. There was only one way to find out.

"How about lunch tomorrow?"

"Sure," Maria said, hands on the wheel, "I'd like that."

"Then it's a date," I said.

"I hope you like Mexican," I said the following day.

"It's my favorite," Maria said from the passenger seat. "Tacos, chalupas, chimichangas. I was raised on that stuff."

She started giggling.

"What's so funny?" I asked.

"Lunch at a sex shop," she said, shaking her head. "I still can't get over it."

"Pretty wild, huh?"

"Tabitha is a genius."

It was a quarter after twelve when we arrived at the

sex shop. A rather long line had already formed at the truck. We got out of my car and queued up with the rest of the hungry crowd. Maria told me all about her ex-boyfriend. The guy sounded like a real jerk. She was better off alone.

We finally reached the window and placed our orders. Tabitha had brought in some picnic tables for the occasion; these filled up fast so we ate in my car.

"How's the chalupa?" Maria asked.

"Delicious." I said with a mouthful of food. "And the taco?"

"Yummy."

"Boy," Maria said, "it

was a madhouse in there."

I dropped behind the wheel and keyed the ignition. She was right. The store had been packed. Tabitha's food truck ploy was a resounding success. Maria had said hello to her ex-boss, and purchased two tubes of her favorite lube.

I started to wheel out of the parking lot when she squeezed my arm and said, "We're not leaving, are we?"

She put on a pouty face. Then she reached into her little shopping bag and produced a tube of lube. "Thanks for lunch. I really appreciate it."

"You're welcome, Maria. I was glad to do it."

She flipped open the cap and squirted lube in her hand.

"What are you—"

"I was hoping to repay you for treating me to such a wonderful lunch. Of course if you have something better to do..."

I drove behind the store, parking in an alley beside a dumpster and a tall wooden fence. Maria unzipped my chinos and upended the tube, coating my cock with copious amounts of lube. She stroked my cock with one hand, nice and slow, up and down, licking her lips as I swelled in her palm.

Maria eventually switched to a two-handed technique, which felt even better. She was really into it, her brow furrowed in concentration as she peered at my glistening prick, moving her hands with synchronized perfection, achieving the optimal speed while applying just the right amount of

pressure.

She really was an expert, a regular tugjob specialist.

"You want to stick that dick in my pussy? Huh, baby? Is that what you want to do with it? I know you do. You've wanted to fuck me for a long time."

She released my cock and scooted back, leaning against the passenger door to give me a better view. She raised her skirt, and spread her legs, affording me a nice gander of her purple cotton panties. She pushed the fabric aside, and fingered her pussy. Her pink slit glistened with juice. I started stroking my cock.

"Oh, don't do that. Save it for me. I want all your cum."

Maria reached down and pulled the lever; the seat dropped back. She lay there waiting for me, legs splayed, as I maneuvered over the gearshift. My lube-slathered prick skewered her with slippery ease. She gasped. I proceeded to pound her pussy with fast jabbing thrusts. She mewled and moaned, crossing her ankles behind my ass.

"Oh, fuck, yeah! Get it, baby! Stick it up in there! Fuck my tight little chalupa!"

I did just that, fucking her with everything I had. Her twenty-year-old pussy felt amazing. Tight. Hot. Wet. I hammered away, plunging my cock in and out.

"I want to ride it," Maria said. "Let me bounce up and down on your big dick."

My compact car provided little room to maneuver. Still, we managed to switch places with considerable effort. I stretched out on the seat. Maria straddled me, grabbed my cock, and lowered her slender hips. Her snug pussy clenched my turgid rod. She worked her hips, gyrating, pumping, riding me with slutty exuberance. She squeezed her small tits, rubbing and kneading, one for each hand, while grinding atop me.

"I love this, baby. I love riding your dick. It feels so good inside me."

I don't know what was in that taco Maria had eaten, but it had infused her with boundless energy. Not content with the standard cowgirl position, she turned around, facing the glove compartment, granting me a stellar view of her spectacular ass. Again, she held my cock and lowered

her hips, impaling herself. She rode me even harder than before, slamming her pussy down with force. It was a most marvelous spectacle, peering at the black braid snaking down her lean back, watching that amazing ass bounce up and down on my lap. It wouldn't be long now. I could feel it building and building.

Maria dismounted and got down on the floorboard, pressing her face between my legs. I felt her hot breath on my balls, felt it seconds before her tongue varnished me, base to cap, with maddening slowness. She repeated this several times, licking my length, before

taking me in her mouth. Sure, Maria gave a great handjob. But she was no slouch in the blowjob department either. Lips cinched around my cock, her head pumped up and down, up and down, with increasing speed.

My balls brimmed with sauce.

Lots of sauce.

Like I said, it had been six months since my girlfriend had left me, a long and lonely six months. Of course I masturbated regularly, but that just wasn't the same.

My cock spewed gobs of spunk, one after another, rope upon rope, each one sending a heady ripple throughout my body. When the spasms stopped, I looked up to see Maria's face coated with pearly glaze.

She licked her lips, drawing my cum into her mouth and swallowing. "Tasty. Just what I needed. The perfect dessert."

En route to Maria's off campus apartment, I got pulled over by a cop. Speeding. Apparently I had been doing sixty in a forty. The cop asked me why I was driving so damned fast.

"I honestly don't know," I said.

He peered into the cabin through mirrored sunglasses. "Where are you folks coming from?"

"The food truck," I said, "just up the street."

"Lunch, huh?"

"Yes, sir."

"I could use a bite. What do you recommend?"

I looked at Maria. Then I looked at the cop.

"The chalupa is out of this world."

SMART BELLE

I don't know why they call some weights dumb bells, and no one at the gym could tell me. One of the guys told me that a few centuries ago guys took the clapper off of bells and began using it as a weight. That ruined too many church bells and so blacksmiths began making them. They are "dumb" because once the clappers were taken out of the bell, they made no more sound. Well, needless to say, I was quite impressed, and so being a smart belle, decided to reward this smart man with my pussy!

PRIVATE LESSONS

I felt like I was getting a bit out of shape so I called my good friend TJ who's been working at a nearby sports club as a private trainer. He agreed to help me and when I offered to pay him, he suggested another form of payment since he wanted to try some new moves on me. I loved his new moves as well as the old ones. I mean who else can lift me up, turn me upside down and lick my pussy as I suck his cock!

Caught in a heavy downpour, love -- er, lust, takes bloom!

The produce section at my local supermarket left a lot to be desired.

I pushed my buggy through the colorful maze, frowning at wilted lettuce, bruised apples, and overripe bananas. Still, inferior fruits and vegetables were the least of my problems.

It was shaping up to be a really shitty summer. Staff cuts at the office had me working almost every weekend. I was thankful to be employed, sure, yet bitter about my lack of a social life.

I hadn't been on a date in months.

Sex?

Well, let's just say that the burgeoning carpal tunnel in my right wrist had nothing to do with the bogus ergonomics of my computer. Of course I had become well acquainted with the models on my preferred cam site, spending ridiculous amounts of money on tips and private shows.

The produce might've looked bad, but the aisles were teeming with stellar eye candy. I snatched glances, legs here, ass there, subtly checking out the seemingly endless procession of hot women. Damned near all of them were wearing shorts as it was a particularly hot and humid day.

No doubt we were in store for another afternoon deluge. Pop up showers, the weatherman called them. They had become a daily occurrence.

Thankfully I had remembered to bring

my umbrella.

After paying for my groceries I pushed my buggy to the entrance/exit. The first set of sliding doors parted to reveal a vestibule packed with inconvenienced shoppers; all eyes regarded a torrential downpour battering the parking lot.

These were the folks who had neglected to bring their umbrellas. Now they were stuck here, stranded in the cramped space, and waiting for a break in the storm.

I opened my umbrella, and I was just about to step through the second set of sliding doors when I saw her. She stood there shaking her head with mild annoyance. She held a case of beer, her only purchase. Curly brown ringlets cascaded down her back. She wore a sea foam green sundress, white leather sandals, and a collection of bangles on one wrist.

No doubt she was heading to some sort of party, perhaps a weekend beer bash with friends. Her body language betrayed impatience. She was ready to get the show on the road, ready to get out of here and crack open a cold one.

The rain showed no sign of letting up. I abandoned my buggy, and approached her. "Every day; just like clockwork."

"I know it." She smiled. "Pop up showers, man."

"I'd be more than happy to escort you to your car."

"You don't have to do that."

"I know I don't have to."

"I can wait."

"You might be waiting for a long time."

We made eye contact. Hers were brown, beautiful. She smiled again.

"If you're sure you don't mind."

The glass doors parted. Shoulder to shoulder, we stepped outside, leaving the shelter of the vestibule behind. She had parked a good distance from the store. Wind gusts blew the rain in our faces. By the time we reached her car we were plenty wet. I sheltered her with the umbrella as she unlocked the driver's side door. A sudden gust punched me with ferocity. The umbrella flew out of my hand. I watched it skitter between

two parked cars, flipping and flailing across the sodden asphalt. Great, I thought. Now I'm all the way out here with no—

"Get in!" she hollered.

I hurried to the passenger side and did just that. Slamming the door, I sat there in her car, a complete stranger's car, soaked from head to foot.

"Do you want me to drive around," she asked, "and see if we can find your umbrella?"

"Hell, it could be anywhere by now. Don't worry about it. It was cheap. I can always just buy a new one."

We sat there as the rain pelted her car. You couldn't even see through the windshield. A regular gully washer, this particular storm, and it showed no signs of stopping anytime soon.

"Pop up shower, my ass," I said. "This is more like a pop up monsoon."

"I guess I'll just drive you back to the store..."

"Sure; that'd be great."

"Unless..."

She placed her hand on my leg. I was wearing shorts. Her hand was wet from the rain. She squeezed my thigh. Her beautiful brown eyes peered at me.

"I don't really want to drive in all this rain. It's not safe, you know. I was thinking, while waiting out the storm, we could..."

"What?" I asked.

"Well," she said, "why don't you just unzip those shorts..."

I must've hesitated too long; she took control, unzipping me and freeing my cock. I watched in awe as her fingers encircled me. She stroked me, nice and easy, with one hand. Her bangles clinked and clattered as her hand moved up and down.

I couldn't believe it. A simple act of chivalry, something I had never offered to a total stranger, had led to...

She leaned over the gearshift and took me in her mouth. Her head bobbed up and down as she sucked my dick, moaning and groaning as she did so. I didn't even know her name, but whoever she was, well, she could gobble cock like a pro. She came up for air, licked her lips, then licked my shaft..

"You know what I want?" she asked.

I had a good idea, but she beat me to it.

"I want to ride this nice, hard cock."

There was no danger of us being seen. The rain continued its relentless assault, effectively concealing the car's interior from the outside

world. She moved over the gearshift, joining me in the passenger seat. She lifted her sundress, and straddled me. I pushed her panties aside as she lowered her hips. Her pussy was tight, hot, wet. We both gasped as I entered her. I gripped her shapely hips. She rode me hard, bouncing up and down, grinding me with aggression.

I raised my hands, slid the straps of her dress over her shoulders, and let them fall. With no bra to speak of, her tits were on full display. I squeezed and kneaded a nice set of B-cups, pinching her pert nipples. This drove her nuts, upping her pleasure considerably. She rode me harder, faster.

Sensing my impending explosion, she dismounted and finished me with her mouth, taking my load in the face, taking it with a grateful smile.

It wasn't long before the rain stopped. She drove me to the front of the store.

"I'm Jen, by the way," she said.

"Frank," I said.

"Thanks again, Frank. You're quite the gentleman."

"I have my moments," I said, moving to get out of the car.

I figured our time together had come to an end.

"What are you about to do?" Jen asked.

"Take my groceries home."

"Why don't you come over and help me drink this beer..."

"Sounds great," I said, "but I've got milk and yogurt..."

"And I've got plenty of space in my refrigerator."

Wow, I thought. Jen can't get enough.

"Come on, man. We'd love to have you."

"We?" I asked.

"My roommate and I. We just finished summer school. You can help us celebrate. Get your stuff," she said, "and follow me."

The vestibule was empty; everybody had cleared out as soon as the rain had stopped. My buggy was right where I had left it. I rolled it to my car, stowed my groceries in the trunk, and followed her to a large apartment complex just a few miles from the supermarket.

Jen lived on the second floor. "Sorry about the mess," she apologized while I placed my perishables in her refrigerator, "but we've been cramming for exams."

She handed me a beer, grabbed one for herself, and put the others in the fridge. The appliance was officially packed to the gills; not a bit of free space remained. The beer was cold, crisp, good. She drank straight from the can. My kind of gal, I thought. No prissy pretense, no bullshit. I wondered if Helen was of the same mold.

She showed up soon enough. Leaning her bicycle against the wall just inside the door, Helen wore a baseball cap, sunglasses, T-shirt, and soccer shorts. She was soaked. Clearly her ride had been a wet one.

"I got caught in the monsoon," she said.

"Likewise," Jen said.

"Let me change out of these wet clothes," Helen said.

She returned a few minutes later in an identical outfit, minus the cap and sunglasses. Jen and I sat on the sofa. Helen claimed a chair. We drank beer and talked about this and that, keeping the conversation light. They talked a lot about law school, and how they both couldn't wait to graduate, pass the bar exam, and start making some serious bucks. I nursed my beer, maintaining a slow pace as I didn't want to get too drunk. After all, I had to drive home. Jen and Helen put them away, draining can after can, clearly intent on getting bombed. And why not? They had just aced their exams. It was time to cut loose, time to celebrate, time to...

"Let's do this thing," Helen said. "I'm horny."

"Helen has a boyfriend," Jen explained. "She doesn't want to cheat on him, but watching isn't really cheating, so she'll just be a spectator. If that's okay with you."

"Sure, I'm all for it."

Jen unzipped my shorts, intent on sucking my cock, but I stopped her.

"It's my turn to return the favor," I said, kneeling in front of the sofa.

Jen lifted her dress. I shucked her panties, throwing them over my shoulder as she spread her legs. Jen fingered her clit. I licked her slit,

sliding my tongue up and down. Jen tasted good. She writhed and moaned.

Helen had retrieved a dildo from her bedroom. Now, having returned to her chair, she fucked herself with the toy, working it in and out of her cunt. Watching Helen turned me on something fierce. I feasted on Jen, sucking her pussy lips.

"Fuck her," Helen said. "Fuck the shit out of her"

I was out of my shorts in record time. Grabbing Jen's hips, I flipped her into the doggy position. She buried her face in the sofa, raising her ass, readying herself for a thorough reaming. The sight of my cock sliding in and out of Jen's pussy, my hips slapping her gorgeous ass, coupled with Helen's mindboggling masturbation brought me to the brink. I tried to hold back, but it was too late. I felt the sauce boiling in my balls.

I pulled out and jizzed all over Jen's ass; rope after rope spattered her cheeks as my glistening cock pulsed. Helen pulled the dildo from her pussy. She slid the toy in her mouth and licked it clean, savoring her juices.

"How was that?" I asked Helen.

"Bravo." She clapped her hands. "You two deserve an encore. Maybe you'll come back and do it again?"

I retrieved my milk and yogurt from their fridge and drove straight to the supermarket, hoping against hope that I might find my umbrella. But it was nowhere to be seen. The umbrella was gone. Still, I couldn't complain. It had been a great day, perhaps the best of my life. As I drove home the sun came out, finally.
